To Whom it may concern,

It is with great pleasure that I recommend Yaleela Torrens for the priority two Scholarship. I have known Yaleela for many years and she identifies as Gooreng Gooreng. Yaleela is an exceptional role model for her community and is one of our Gooreng Gooreng nation leaders.

Yaleela is a dedicated and knowledgeable Female Aboriginal Leader championing her heritage and culture and I am confident she will continue the same effort and leadership qualities she possesses within her chosen profession.

I give my highest recommendation for Yaleela Torrens to receive priority two support.

Sincerely,

Luke Watson
